## After view

Normally it can be difficult to find inspiration and words to this little text after a busy viewing week and an exciting auction weekend – but not this time! After such an auction with often incredible prices, positive clients and over all a lovely atmosphere it is more or less the opposite, you get an itch to write which in this case is a nice problem.

As we wrote already in the catalogue preface, the Swedish section was something very special this time. The auction confirmed this to be true and many of the individual results really lived up to the high expectations. Even the most experienced and highly qualified present exhibitors of Swedish philately were impressed and congratulated us for the result, not for our own sake but for the entire stamp business.

Nowadays when many collectors are using Internet and email bidding, agents and a general sound thinking of saving costs the auction room is normally not as crowded as in the “good old days”. We are therefore glad to say that was not the case this time. One of the international agents told us that “I have not even had time for a coffee break today”, which speaks for itself, he really had a busy day!

As the autumn has unfortunately finally reached us in the “Öresund region” we are now looking forward to our visit to Rome and Italia 2009, although we are not having a stand there we still hope to meet many of you. The other big event this year is MonacoPhil 2009 in the first week-end of December, where you are most welcome to visit us at our stand to discuss your philatelic holdings or just for a friendly chat.

Take care!
