After view

In an advertisement in a Swedish stamp magazine a couple of weeks before the auction we used the old fashioned expression “Sweden is fantastic” as our headline. Today we know that this doesn't only mean that Sweden is a beautiful country to live in, but also that the Swedish stamp market is something out of the ordinary!

When speaking to a very important collector today we were told that rumour has it that Sweden has the strongest market in the entire stamp world. A good evidence of this was also the report from the FIP exhibition in India earlier this year, saying that of the 41 awarded Large Gold Sweden captured 9.

Sweden was only one of many fantastic areas in the auction and as expected the “Leif Ericsson” Iceland collection was a big success with the 4 skilling cover as one of the highlights. And once again the Chinese section broke the record with the highest number of individual bids.

With this “all-time-high” auction in mind we are now eager to prepare the autumn auction which will include e.g. “Leif Ericsson” part II and a follow up of the Swedish section. This auction will take place after our participation with viewing at two exhibitions just weeks before; namely GOTHEX 2011 in Gothenburg and HOFI 2011 in Horsens, Denmark.

Summer time has begun and we are now in a great need of sunshine and nice weather up here in the north.

Thank you all for this time and we hope to see you again in September!
