After view

Usually our visitors are “meeting the spring” in Malmö in connection with our auctions in the end of March, sometimes even being able to sit outdoors for a caffè latte or a nice lunch. Unfortunately not this year, “Njord” the Nordic Weather God decided differently and arranged for wind and several degrees Celsius below zero. A Norwegian client was very surprised, and disappointed, to also face snow here!

Luckily it was several degrees warmer in the auction room, which was as much due to the atmosphere as to the heating. Our “personal auction room” with plenty of visitors has always been a social meeting place. Some are even coming to our auctions although their intentions are not always to take part in the bidding. This is a strong reason for us not to introduce live internet bidding, which tends to clear the auction rooms of people.

As expected the huge collection of Scandinavian Ship Mail went extremely well. One of the most experienced Swedish collectors told us that he didn't believe his eyes when he saw some of the lots. Another impressive result is the beautiful “Wredstorp” cancellation on a Swedish 24 öre Coat of Arms. As always we had strong buyers for extensive collections from foreign countries, this time e.g. Estonia and Malaysia.

After lunch on the Saturday the Honorary President of the FIP, Knud Mohr, gave a very interesting presentation and release of the Fakes, Forgeries & Experts Journal # 16. He softly and naturally handed over the microphone and the editorship to Jonas Hällström, who explained his visions for the future of the FFE Journal. Postiljonen is very proud and happy to have both of them in our “team”!

Now we are preparing for Melbourne and Gardabær, two international exhibitions at two totally opposite sides of the globe. But what is common for them is that we are going there for your sake, either to find material for your collection or to promote your items.

Thank you very much for this time!
