After view

This past night we changed to summer time which means that we turned the clock one hour ahead to get more daylight in the evening. For us living up in the north this is very important as it gives us a lot of energy, which we need to handle the busy philatelic season to come.

It is quite some time since we have had that many visitors at the viewing as well as at the auction. In spite of the crowd and the queue at the Friday viewing it was a very friendly and exhilarated atmosphere. For the first time we held the auction in the newly opened conference room in our own office building, Öresunds-huset, which became a success with a very familiar spirit.

Strongly contributing to this were of course our friends from our western neighbour Norway. Not only for their jokes and funny comments during the auction but also for their strong bidding. Nearly all Norwegian lots were sold, with the unique domestic rate cover and the interesting lot from an old estate as the two highlights. Go Norway!

Other results that are worth mentioning are the Swedish “Massware” section, the Austria collection of ca. 4 000 covers and cards, the collection of Cape Triangles and of course the

Commonwealth collections. Also the Danish section once again showed that something is going on. However, we strongly recommend you to study the list of prices realized carefully to be updated on the current market prices.

If you want to take advantage of our longstanding professionalism and knowledge we welcome you to visit us e.g. in London during the FEPA exhibition EUROPHILEX 2015 13-16 May or at the national exhibition SILFI 2015 26-27 September in Denmark.

Enjoy the spring and the upcoming summer!
