## After view

This time of the year is just fantastic in the south of Sweden. It is bright in the morning when you get up and hopefully also bright when you come home at night after work, if you are not working too late. After some very dark months when many people more or less go into hibernation, suddenly everyone has a big smile on their face.

Can you find a better metaphor than what happened at our auctions during the past weekend? Collectors of Danish West Indies, Iceland and general worldwide had been long waiting for the selections we could offer. In spite of the often remarkable increases and sensational hammer prices everybody looked very happy and excited.

Our auction weekend "started soft" on the Friday afternoon with the Scandinavian countries, except Iceland & Sweden, with DWI as the absolute highlight. Such a selection has not been on the market for a very long time. In the Finnish section two very rare items were sold, one of them the unique and unbelievable "Gutter Cover".

The Saturday ended with the first part of Indriði Pálsson's Large Gold Medal Collection of classic Iceland. Due to exceptional bidding in the room as well as by telephone, the auction took longer than expected, however no one seemed to care but just enjoyed it! The special auction catalogue #211, together with this result list, might be worth studying and to save in your philatelic library.

Now we are preparing for the two shows this spring, **Nordia 2016** in Jyväskylä (Finland) 8-10 April and World Stamp Show **NY2016** in New York 28 May – 4 June. Please seize the opportunity to meet us at those events, either to hand in a consignment for one of our upcoming auctions or just for a friendly chat.

Thank you all for this time and keep a lookout for our news to come!
