After view

“Hi, hi, hi, beautiful Sunday - This is my, my, my beautiful day”. Those are some lines from the song by Daniel Boone from 1972. It appeared immediately in our memory when we started to write these words, as it exactly describes this specific day. It is Sunday afternoon and a beautiful day with sunshine and spring feelings.

We can now sum up, and look back at, the past auction week. We also consider that as beautiful, despite many more working hours than the union would accept. But it was worth it! To meet so many of our clients, at the viewing as well as in the auction room. You can really feel the expectations and hopes to make bargains at the auction. Resulting in happiness, but sometimes in big disappointments. That is what is so fascinating with auctions, and “the name of the game”!

This time we had to use a provisional auction room, still in our office building, as the normal one on the ground floor was occupied. But considering the high spirits, we are sure that everyone enjoyed the location. We had happy and expectant clients in the room all four days, not quite like in the eighties, but after the pandemic needs and behaviours have changed.

As usual many remarkable prices were achieved, and intense bidding contributed to long auction days. It would take up too much space to mention all sections that stood out, which is why we recommend everyone to study the prices in this result list by yourself.

In the preface of the auction catalogue # 247 we promised to give you a small report from our visit to Dubai 2026 in February. It was a nice, but different, exhibition. Not as many visiting exhibitors as normal, but still OK. However, the most important thing was the good timing, everyone must be very happy that it did not take place one month later!

Now we are preparing for the two upcoming exhibitions; **NORDIA 2026** in Espoo Finland 8-10 May and **BOSTON 2026** in USA 23-30 May. We welcome you all to visit us in our stand.

Take care of yourselves!
