

SEMINAR NEWSLETTER # 1

Dear philatelic friends and seminar delegates,

Proudly we can account in total 93 delegates, including the invited seminar panel and the Postiljonen staff. We represent together 23 different nationalities, from North America, Central America, South America, Europe and Asia.

Thank you for your application and hereby it is my great pleasure to welcome you as a delegate to this summit in philately!

From now until the seminar week-end you will receive NEWSLETTERS updating you about the proceedings for the summit. This is the first NEWSLETTER which is important because it confirms your application and need your check that your application is received and registered correctly.

Find attached an Excel file with all the registered applications.

Please check your personal details and confirm with returning e-mail as soon as possible:

- Correct spelling of your name, address, etc.?
- Correct registration of your orders for accommodation and meals?

As you have noticed in the invitation, you are invited by Postiljonen (without cost) to the two events:

- The Seminar Reception on Friday at 18:30
- The Banquet & Postiljonen Jubilee Dinner on Saturday at 20:00

Please confirm:

- That you will participate in these two events?

Perhaps you have taken notice about the commercial information from POSTILJONEN, about the publishing of a new series of Papers under the title **Philatelic Summit Papers**. The first paper will be published in the next few weeks and the second paper will be published to the opening of the seminar. Both these papers are included in the seminar fee. (In a separate e-mail following this I will give you more detailed information about the **Philatelic Summit Papers**).

Please, again I ask you to check your registered application in the attached Excel file, and confirm to me by returning e-mail that the registration and your orders are correct.

In the mid of February we will send by postal mail to you the invoice covering the seminar fee and your orders, together with the first issue of the **Philatelic Summit Papers**.

I am very much looking forward to our cooperation before the summit in April, and even more to meet new and old friends and philatelists in Malmö in April. If you have any questions, don't hesitate to contact me!

Sincerely,

Jonas Hällström
